To the extent possible, we will arrange a children's corner including babysitting for the necessary time of your race and easy kids' race.

Course lengths:

Expected winning times according to the Racing Rules of Czech orienteering federation (ČSOS). Please note that the forest sprint will be rather longer due to the nature of the terrain and thus will not meet the definition of the discipline considering a very high running speed.

Terrain:

Stage 1: Narrow rocky ridge above Vranov castle, castle area, high rocks, one part with varied vegetation forest with no rocks, and village outskirts.

Stage 2 and 3: Rocky, rugged and hilly terrain, with rock towns, and steep slopes with stones. Technically and physically challenging.

Start:

Interval starts in all stages. The start list will be extended over a longer period to make sure that more people than currently allowed will never meet in one place. Starts of all stages will be reachable exclusively on foot - up to 2.5 km from the event center. In addition, there is considerable climbing (over 100m!) on the way to Stage 2 and 3.

Regulation:

The valid Rules and the Racing Rules of ČSOS are to be implemented.

Punching system:

SportIdent system to be used for all days and all classes. No SI Air punching will be used.

Entries

To enter for a race please use [ORIS entry system](#). Entry is considered valid and confirmed if it is paid within 7 days. **Entries in the limit count of 1300 competitors which will not be paid within 7 days, will be rejected** and the vacancies will be automatically transferred to substitutes. **ČSOS clubs** must pay at least 90% of deposits within 7 days. Small outstanding arrears are possible in case there are competitors over limit, changes, etc.

A foreign club that is registered under ČSOS can request cash payment on spot via email.

Other clubs must pay 100% of the deposit within 7 days.

Changes (category, SI card number, etc.) can be done directly in ORIS entry system by August 11, 2020. After this date, category can be changed only for a fee of CZK 50,-. All change requests should be sent to the email below.

Entry can be cancelled until August 11, 2020. After this date, only 50% of the entry fee will be returned. If the entry is cancelled 7 days before competitions (from August 15 onwards), 100% of the deposit will be forfeited.

Name change – Leaving one's seat to another competitor is possible for a fee of CZK 100,-. Regular entry cancellation in ORIS entry system and automatic shift of your seat to a substitute in the queue is preferred.

Email: prihlasky@tur.cz is intended only for changes after August 11, 2020, or for requests to change a name. All received requests will be processed after August 11, 2020.

Number of competitors is limited by Protected landscape area Bohemian Paradise to 1300.

Once this limit is met, the entry system will be automatically closed.

If the limit is met, competitors above the limit express their willingness to participate in competitions until they remove their entry from the ORIS system, even if they are automatically moved from the position of substitute to the position of participant just before the race.
